J&Y SAFETY

Headquarter Plant Guangdong J&Y Industrial Co., Ltd. (China)

COMPANY PROFILE

Guangdong J&Y Industrial Co., Ltd. (Main plant) founded in 2008. It is a specialized enterprise deeply engaged in the field of personal head protection products. The company has accumulated years of industry experience and strategic growth. Headquartered at No. 285 Juhuashi Road, Huashan Town, Huadu District, Guangzhou, the company benefits from a superior geographical location—just 15 minutes drive from Guangzhou Baiyun International Airport. With over 1,000 employees and a manufacturing facility spanning 30,000 square meters, Guangdong J&Y integrates R&D, production, and sales into a modern, vertically integrated operation. More than 800 production line employees, 100 management personnel and 40 engineering R & D personnel. We have successively obtained more than 118 patents and "high tech enterprise certificate". The main products are PU earplugs, Reusable silicone and TPE earplugs, Passive /electronic earmuffs, Communication earmuffs, Safety glasses, Goggles, Masks, Safety helmets and Half masks etc. The products are mainly used for personal protection, including factories, mines, military, aviation, tourism, sports, medical and daily use.

The company adheres to the business philosophy of "being the most professional head protection manufacturer in China", pays attention to talents, strict management and product passing; ISO90001 / ISO13485, European CE certification, American ANSI certification and Australian AS / NZS certification.

The company has independent import and export rights, 80% of the products are sold to the United States, Europe, Australia, Japan, Hong Kong and Taiwan, etc., the company is recognized by new and old customers with high-quality product performance, affordable price and good after-sales service.

The company has been committed to: the pursuit of excellent quality, sincere service to customers! Has been committed to the head of security products in the field of excellence! Has been committed to creating value for customers!

Oversea Plant J&Y SAFETY (M) SDN.BHD. (Malaysia)

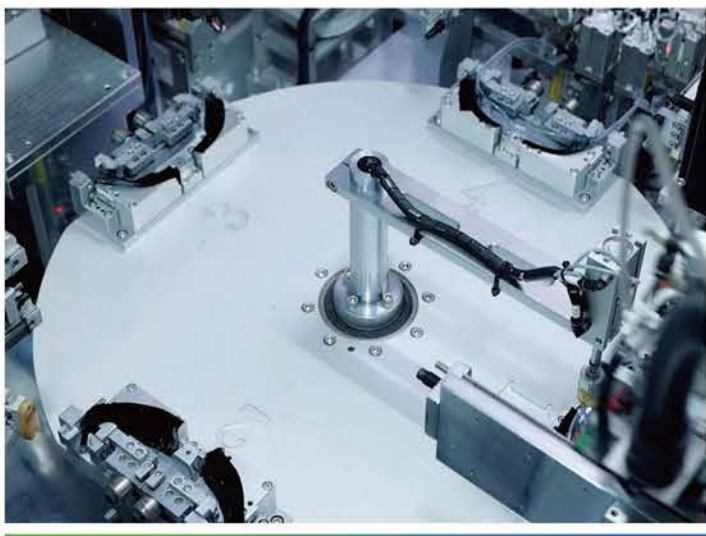

COMPANY PROFILE

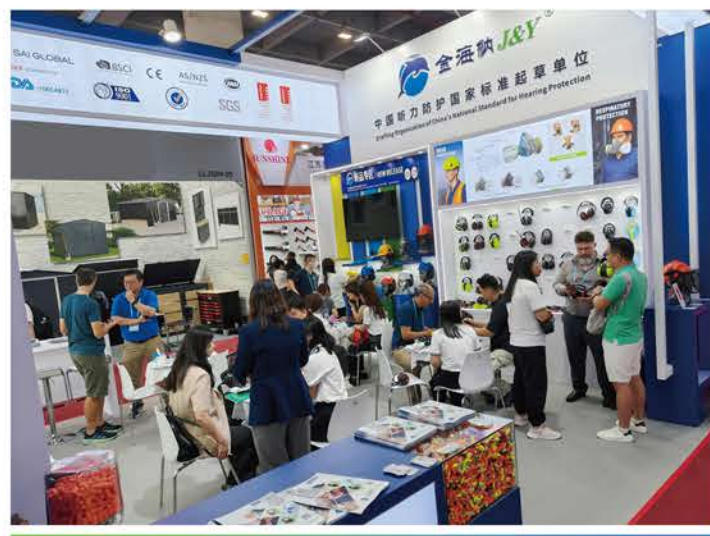

J&Y SAFETY (M) SDN. BHD. is located in Shah Alam, Selangor, near Kuala Lumpur, Malaysia, covering an area of 2,000 square meters and a construction area of more than 4,000 square meters. There are more than 30 production front-line employees and management personnel, and a total of 10 engineering R&D personnel teams.

Main products: PU earplugs, silicone earplugs, protective earmuffs, electronic earmuffs, communication earmuffs, and safety helmets, etc.

Product features:

The safety glasses offers protection against describe what risks it protects against.

Safety glasses can be used by anyone. Depending on the requirement of the user, safety glasses can have varied lenses such as, clear, tinted, indoor/outdoor lens, polarized, shooting, men's or women's, low light eyewear, filtered and changeable. All safety glasses shield the eyes from hazards. Such hazards may arise from:

- Flying solid debris.
- Impact from moving machinery.
- Heat, sparks and intense lights during welding and metal cutting etc.

These spectacles are fitted with filtering lenses that protect against sunglare filters and provide impact protection against high speed particles at low energy.

The applicable Standard for the product is Standard: EN ISO 16321-1:2022/ EN 166/ ANSI Z87.1/ AS/NZS 1337.1/ CSA Z94.3:20 etc.

GENERAL INSTRUCTIONS

1. They can be worn all day in a normal working environment. And this pair of eyewear should only be used at room temperature.
2. This product is not supplied with any accessories.
3. It is advised that you kept this eyewear in its protective bag or box when not in use.
4. Maximum product life is 3 years.
5. It is advised that this eyewear should not be worn over prescription frames, as there is the possibility that impact may be transmitted to the prescription frame and thus create a hazard for wearer.

Certificate No.: CE-PC-240919-439-01-9A

Certificate holder:	Guangdong J&Y Industrial Co., Ltd. No.285, Juhuaishi Road, Huashan Town, Huadu District, Guangzhou City, Guangdong Province, P.R.China
Product:	Personal protective safety glasses The listed models are Category II PPE Detailed product description listed in the Annex
Model(s):	SG-71006BF Smoke
Standard(s):	EN ISO 16321-1:2022 Eyes and face protection for occupational use - Part 1: General requirements
Issue date:	2024-10-24
Revision date:	2024-10-24
Expiry date:	2029-10-23

The product(s) on this certificate and the Technical File have been assessed and found to be in conformance with the applicable Essential Health and Safety Requirements in Annex II of the Personal Protective Equipment Regulation (EU) 2016/425.

Any changes to the design, manufacturing location or manufacture of the PPE product certified here must be advised to CCQS Certification Services Limited for review.

CE marking shall not be applied until the requirements of all the Personal Protective Equipment Regulation (EU) 2016/425 and relevant EN Harmonised standards and/or Technical specifications have been met.

If the certified product is Category III then this certificate is only valid if used in conjunction with Conformity Assessment against Module C2 or Module D.

This certificate remains the property of CCQS and maybe withdrawn at any time if it is considered that the equipment is no longer in conformance with the requirements of the Personal Protective Equipment Regulation (EU) 2016/425.

Test Report

Number: SHAH01746096
Date: 24 Oct, 2024

Applicant: GUANGDONG J&Y INDUSTRIAL CO., LTD.
NO. 285 JIUHUA ROAD, HUASHAN TOWN, HUADU DISTRICT, GUANGZHOU, G.D., CHINA

Sample Description:
One (1) style of submitted sample said to be:
Item Name: Face shield
Item No.: FS-1
Quantity of Submitted Sample: 20pcs

Test Conducted:
As requested by the applicant, for details refer to attached page(s).

Tested samples	Standard	Result
Submitted samples	ANSI/ISEA Z87.1-2020 Occupational and Educational Personal Eye and Face Protection Devices	Pass
